**Subject:** Re: Federal Register notices

Thanks for the notice. There is no need to follow up. To: Jeremy Gunn/ARRBcc: Eric Scheinkopf/ARRB  
Date: 03/26/97 10:30:39 AM Subject: Federal Register notices  
The following two Federal Register notices contain items I wanted to bring to your attention. Please ignore and excuse this e-mail if I already brought these two items to your attention. The first comes from the 3/17/97 Federal Register on page 12609. The DoD Historical Records Declassification Advisory Panel will hold a meeting on 4/11/95 with a public session in the afternoon from 2-4. The earlier session from 9-2 is closed to the public. The meeting's purpose will be to discuss recommendations to the DoD on areas that would be of benefit to the public if declassified. The contact person at DoD is Cynthia Kloss at 703-695-2289/2686. I do not believe I sent you this notice. I believe I did send you this second one but this is just an insurance policy. The Advisory Committee on Historical Diplomatic Documentation held a meeting on the 18th and 19th of this month with both closed and open sessions. The person running this event was William Z. Slany and he can be reached at 202-663-1123. Let me know if you wish me to follow up. The Federal Register page for this item is 11511 from 3/12/97.
