Subject: Re: Assassination Records Review Board Media Advisory

Dear Lisa:Unfortunately it is too late. The hearing begins in approx. two hours. Please be assured that we have invited witnesses that are quite familiar with the Zapruder film. In addition, these witnesses hold different beliefs about the status of the film -- a broad range of issues will undoubtedly be discussed. We expect to receive varied views and plenty of guidance from all witnesses.Sincerely,Eileen A. He's done some of the most valuable recent work re the film of just about anyone.
