Subject: Re: Status of Letter of Support from the AHA
Anna: Thank you for the quick response. The follow-up with Stanley Katz will be helpful. I spoke with May on the phone and then did follow-up with a letter. Maybe I'll call him this week. If we hit any snags on the Hill at some point, maybe we could ask Page to help out. Again, thanks. Tom

Tom, I will try to find out the status of the AHA letter from Stanley Katz. You might follow up your call to May with a letter. Page Miller runs the National Coordinating Committee which represents all of the historical groups plus the American Political Science Assn. and the SAA. She generally finds it useful to let each organization write its own letter, although she often coordinates them, writes drafts, pushes and prods. Her forte is taking those letters to staff of Members of Congress who matter. I'm sure she would be willing to help the Board in any way she could - although right now she is probably trying to figure out how to head off the attempt to give Nixon's records back to the family. Her e-mail is pagem@cap.gwu.edu
