Subject: Re: List of Cuba documents

As the students have been here all week and have taken up the overwhelming majority of my time, I did little more than make a couple of oral (verbal?) suggestions to Manuel and we discussed it for about 5 minutes as I was going back out to the public room. He submitted a preliminary list to me, which I will be happy to copy for you; barring that, I must defer to him on this subject. (He is apparently at CIA all day today, so he could be reached there.)To: Manuel Legaspi/ARRB, Christopher Barger/ARRBcc: From: Jeremy Gunn/ARRB
