AMSubject: AddressesPlease check your entries in where in the world and make sure that your address and phone number are correct. I use this info to keep a list for senior staff in case we need to contact any of you in the off hours.Also, please check your most recent blue pay statement and make sure that your address is correct on that and that you are having the state tax deducted from the correct state. We have a lot of staff that have moved over the last year and I want to make sure that all the changes have gone through.If you do not want your address and phone number in where in the world you can give it to me directly. I must have this info for all staff members. This list is only distributed to the senior staff and not for public use.Thanks.
