Subject: Re: David Lifton

I spoke with David Lifton late yesterday about several things. On his own initiative, he said that he needed to get in touch with you about your messages. I encouraged him to do so. You should call him again, if you would like. He still appears to be pleased with the Board and wants to help.

Upon receiving your message, I called David in California and got his phone mail. I left a message, saying that I would like to talk to him about the Board hearing. I will raise your issue if he calls, and I will try calling him a few times. He may be away. I last spoke to him the day of the Board meeting.

Jeremy: David has asked me to contact David Lifton about the rest of his donation to the JFK Collection, which, as you know, includes audiotapes of early interviews that he conducted. I have called him a few times and sent several e-mails about moving the project along. He has not responded. If you have any communication with him, please ask him to e-mail me or call me (at the ARRB main number and the call will get switched up to me). I'm not quite sure why he has not gotten back to me. Whatever you can do is appreciated.
Thanks.
Tom
