Thanks. You can cancel the request. I found it.

Date: 04/23/97 05:20:55 PMSubject: Zapruder Courtesy Storage AgreementI called Les Waffin immediately
(since he has the "Zapruder Working File," and since he said he was the person who physically accepted the
film in 1978), but only got his voice mail. I asked him to fax to me immediately the agreement, whether it was
Wednesday afternoon, or Thursday morning.
