Subject: Re: Rehash on Conversation with Brian Dettelbach

I think that the Board (especially Kermit) will be looking for some info on a possible meeting with Glenn. At a minimum, I think you will need to get back to Dettelbach and see whether he made the contact with M.J. The risk is that Kermit will make his own contact on this. What do you think?

David: As you know, I mentioned Kermit's contacts with Senator Glenn and staffer M.J. Venoe to Dettelbach last Friday in a brief conversation. You will remember that he expressed mild irritation that the Review Board has come up without him there. I told Brian that the Board would do whatever the Senator wanted to do, although I wondered whether a meeting was necessary. I suggested that perhaps he wanted to talk to M.J. In my view, the onus is on Dettelbach to deal internally with the issue of a Board meeting with Glenn. However, since I only had a short conversation with Brian and he was busy until Thursday, do you want me to attempt to discuss the meeting issue with him more at the end of the week? If this is required because of Kermit's involvement, I will pursue it. Please advise.
Tom
