Subject: Re: Fwd: JFK Lancer

I called Debra Conway this afternoon, and she immediately posted a disclaimer at the top of the page. To: David_marwell @ jfk-arrrb.gov @ internet cc: wljoyce @ firestone.princeton.edu @ internet (bcc: David Marwell/ARRB) From: JRTunheim @ aol.com @ INTERNET@WORLDCOM Date: 05/07/97 12:16:54 PM CDT Subject: Fwd: JFK Lancer David: I do think that perhaps we should ask this Lancer group to clarify that its web page is not a governmental page of the ARRB. Could Jeremy or Laura or Brian look to see if there is an appropriate letter that can be sent. I do like that they are providing access to our materials, but we should be careful that they are not confusing anyone. Thanks. Beyond that, I think a polite but firm letter might indicate that some way of better identifying the page would be a very good idea! Hope this helps... --Bill At 05:01 PM 5/6/97 -0400, you wrote: > You are correct, perhaps we should ask them to indicate clearly that this is > not a governmental web page, rather a private one.
