Subject: Re: Culpepper/Tiernan Party/Shower

Is the shower happening at the Review Board offices? Can I send something along for Kevin/Sue/the baby, to yours or someone's attention who can include it in the gift pile? Or should I just send something to their home (in which case, do you have their address)? Also -- I keep forgetting -- how soon is the baby due? Is Sue doing well? Hope everything's good with you. April was a busy month here: 3 weeks of sibling visits. But it was very nice. Doing alot around the house. Disgracefully, very little running since the marathon. As I never heard back from anyone with travel-authorizing authority (David, Tracy, etc.), re: potential visit to DC for Review Board work later this month, I presume it's not a "go". Which is fine -- I'm pretty busy here -- though, of course, it would have been nice to see you and the others. Let me know about the shower; I'll follow any course you advise. Thanks!
