Subject: Re: -No Subject-

thanks for your note -- I like them, too. I need to go to Fresh Fields and buy more!! We missed you on Saturday & I was thinking later that we needed you there -- you're an important part of the whole friend-machine. :-) I think we had a reasonably good time (ask Ron if he had an okay time.) I, however, stupidly made this lasagne that Jon and I made once before which took two of us working on it 4 hours to prepare. For some reason, I thought to myself "this takes 4 hours to make" rather than thinking "4 hours x 2 people = 8 hours, so this takes 8 hours to make." Let me assure you -- it takes 8 hours to make. Tasty, but a nightmare. And, NO, I will not, under any circumstances provide the recipe to anyone, because no one should have to cook for 8 hours and only have lasagne to show for it. Hrumph. Had a nice run yesterday -- only 10 miles, though, because it was pretty hot and I needed to get back to go to Jon's parents' house for dinner. (Dogs were invited! Yay!) How was the horse show? How was B'burg? Can you run the weekend of May 23-26 (which, I guess is Memorial Day?) Also -- what do you think about a girls-only camping night sometime during that weekend, PROVIDED the weather is nice? (No flood of 1996 repeats, thank you very much.)

 Subject: No Subject-Hi Laura
 Just wanted to let you know that I had the eggplant roulettes for dinnertonight. They were yummy. And I really liked the cleanup (none)! Thanksfor the tip. I've spent the day cleaning my apartment here in B'burg. Disgusting. Still have not run. Lazy! No new news. See you soon. Janice
