Subject: Re: Mark Allen and JFK Library

I agree that this is an important issue that needs to be pursued. Two points: First, as David will recall, Jack recently talked about him going to visit Burke Marshall to discuss some of the more sensitive issues that have to do with Senator Kennedy and the family. I think this matter fits into that category. Second, as was discussed with Jack and David, timing is important. I would want the Board's extension ensured before focusing on some of these areas. I think the tapes need to be the subject of discussion with David and Jack to plot the course. To: Tom Samoluk/ARRBcc: David Marwell/ARRB From: Jeremy Gunn/ARRB Date: 05/15/97 02:48:34 PM Subject: Mark Allen and JFK Library I am faxing to you a letter to me from Mark Allen about a JFK Library issue. I think that we should obtain all relevant information on this question and then take any appropriate steps -- including an interview (or more?) with Burke Marshall. It seems to me to make sense for you to completely investigate this issue. Do you want it? Let me know.
