**Subject:** Re: Debra Conway Request  
I had two conversations with Ms. Conway and she seems satisfied with the information we provided to her. However, she is miffed about Mr. Holland's access to an ARRB Staff analyst who provided her information regarding the James Powell interview. She had conversations with Mr. Holland and Mr. Franklin about the information in "Spectator" and was very dissatisfied with their explanations (viz: "You can't wait around for ARRB to issue a press release.") She will contact the RFK library and NARA regarding the information she is seeking. I explained that Ms. Exner was not specific in regards to the documents she said would be released. I left Ms. Conway as a happy camper, her faith restored in ARRB. I do expect Ms. Conway to be calling you for future news. Respectfully, Thom
