I assume this has been taken care of. If not, let me know.

Subject: NARA records Being Cleared
In connection with your May 5 letter to the Treasury Dept that they clear certain records generated by NARA, Treasury called and indicated that they have no objection to clearance but that they believe that the records should be referred to Secret Service for clearance. The letter and enclosures will be returned to us under cover of a letter from Treasury Attorney David Dougherty (or Steve Milline) requesting that they be referred to Secret Service.
