Subject: Re: ATF

Nothing at all except some handwritten notes by the attorney who defended Ellsworth at the HSCA deposition. The notes, I think, are not that interesting; they just record the preliminary discussions at the deposition.

On Wednesday morning at 10am, ATF will have some files for our review. I asked Joan to help me review them. The files are from the regional counsel's office of ATF; regional counsel had defended Frank Ellsworth at his deposition before the HSCA.
