I wonder if I can ask a question regarding Ms McAuliffe? I am interested in any Florida connection and I understand (from the same Web Site), that...>Ms McAuliffe has returned from almost three and a half weeks largely in>the southern part of the United States. She met with representatives of>the Louisiana State Police, the New Orleans Police Department, the Miami>Police Department, the Metro Dade Police Department, the Tampa Police, the>Chicago Police, the Metropolitan Crime Commission of New Orleans, the Illinois>Legislative Investigating Commission, and the Chicago Crime Commission. Is there a listing of the folks in Florida she talked with and whether or not there will be (or has been) any release of information from these local files in Florida? Do you know if they would be available locally? Thanks in advance for any help you can provide on this or other Florida references. Regards, Jim Page jimpager@aol.com
