Date: 06/19/97 04:34:03 PMSubject: The person we discussed finding a picture for...Doug & I ran across an  
interesting file for the name we already know, but no mention of the name which matches the description in  
the book...I found a reference to a military file which may have a photo...Michelle is checking on her end for  
further references based on what we found...We now know important facts about this person & have  
identifiers for related names which we are pursuing...
