To: Jeremy Gunn/ARRBcc: David Marwell/ARRB, Laura Denk/ARRB From: Ron Haron/ARRBDate: 06/23/97 03:13:20 PMSubject: Mohr SubpoenaArt Goldberg called Laura to discuss the Mohr subpoena; given that the subpoena was directed at a high-level FBI official, it would "raise eyebrows" and receive close attention by DOJ. I later called Goldberg to touch base with him. Dave Anderson is out this week so that the Mohr subpoena cannot be considered /approved until next week. Goldberg considers the return date (July 2) too soon, and has asked for an alternative date of mid or late July. I told him I would provide him one tomorrow. I was thinking July 24 (Thurs) or July 28 (Mon). Let me know.
