Date: 07/01/97Subject: Review of JCS papersSummary of the Call: Will Kammer of the Joint Staff called me to set a date for he and Ed McBride to come to ARRB spaces and conduct declassification review of the JCS papers currently being stored in our SCIF. He was very enthusiastic and friendly, and it appears we will get much work done while they are here. He specifically mentioned (without any instigation from me) that he would be bringing his stamps, which seems a good sign given our last experience.Kammer and McBride will be arriving here at around 9:00 or 9:30 on Thursday, July 10 and expect to stay all day; if we need to extend into the 11th, we will. ENDDon't forget to compose individual Action Item documents for any action items that resulted from the call!
