Subject: Re: ARRB's Consultant's Latest Exposee

Dear Ned,Thanks (I think) for sending the Aguilar message. His "consultant" title is self-bestowed. Although I certainly have spoken with him, and although he has testified before the Board, that -- to my mind -- does not a consultant make. I am aware of no other person similarly situated with Aguilar who has seen fit to describe himself as a "consultant to the Board."I personally am very displeased with how the media has portrayed the Ford edits. I wish people were more concerned with evaluating and understanding the evidence than with using it as ammunition to advance their pre-conceived notions.Best,Jeremy
