Subject: Re: JFK Library Follow-up

There is another important matter that I want to talk to you about at the JFK Library related to Judy Campbell. To: Michelle Combs/ARRBcc: David Marwell/ARRB, Jeremy Gunn/ARRB From: Tom Samoluk/ARRB Date: 07/14/97 09:04:47 AM Subject: Re: JFK Library Follow-up Michelle: Thank you for your response. I agree that I should review the EHU's with postponements and preview the AR's with postponements. Hopefully, a regular presence from the Board will have an influence on them to keep things moving and give you an idea of what is coming from the Library. I will call you later today to try and schedule a time when you and Jeremy can talk to me about the documents. Tom To: Tom Samoluk/ARRBcc: David Marwell/ARRB, Jeremy Gunn/ARRB From: Michelle Combs/ARRB Date: 07/11/97 04:37:01 PM Subject: Re: JFK Library Follow-up The Library has not yet sent any documents to the Board. They promised to have them ready by the September meeting (Sept. 17). I spoke to Jeremy and suggested that you might look through the EHU's with postponements and preview the AR's with postponements. You are probably in a better position to make some judgements as to whether the postponements are likely to hold up with the Board and what the staff's recommendation should be. Also, given the two month lead time, I would appreciate some sense as to how many records we should expect, when they might arrive, and what is being postponed, and what type of records are they? If you have the time, this could be a useful exercise which should save us a great deal of time in September. If you want to talk about the documents, give Jeremy or I a call. Thanks
