**Subject:** Re: CA

I am sure she is right about the name of the hotel. If the price is as suggested here, we can forget about the Surf and Sand and stick with the Sheraton in Newport Beach.

**Subject:** ADO you know what per diem is for CA? I spoke to Meghan at Riviera reservation services (she will call me back within the hour) but says that there are two different places in Laguna beach: one is the Surf and Sand hotel , not Sun and Surf, and the other is a place called the INN at Laguna Beach. She said both are two of the most deluxe properties in Laguna Beach and estimated that the price would be between 2-300 a night. I told her to find out for sure what the price would be, if they have govt rates for the nights August 20-23. Let me know if you have any questions, concerns or further info, and I'll get back to you as soon as I hear from her.
