The matter involving the two redactions in the Camelot Papers is number 10 on my memo of 7/23/97. David had asked me to raise this issue with Megan. We need to discuss what our position is on these two redactions. To: David Marwell/ARRB, Tom Samoluk/ARRB, Michelle Combs/ARRBcc: From: Jeremy Gunn/ARRB Date: 07/24/97 08:51:53 AM Subject: Megan Denoyers She called to say that she FedExed to us the tapes that will be released today. She also has a follow-up to a question raised by Tom regarding the Camelot (Teddy White) papers and two privacy redactions in them. She said that the Board heard the tapes in 1995 and, to the best of her recollection, the Board thought they were irrelevant to the assassination. She said that the pertinent deed has been renegotiated and it covers the redactions. She would like to know what the Board wants to do about this, but she hopes that the info does not need to be released. She described the redactions to me and I can tell you what they are. They seem to me not to be relevant to the assassination.
