**Subject:** Re: NSA

Manuel said he will call Martha Murphy to let her know that we will not be delivering the NSA documents tomorrow, and that if she asks (for scheduling reasons) it will be sometime next week. The two people he has been in contact with at NSA in the past are both out of the office this week. He spoke with a person (this morning) who is filling in. He does not think it is necessary at this time to call her back (unless you do, or if David's call to Kavanaugh will suffice.) Let me know. I'll be in a post-board meeting meeting at 3:30. To: Eileen Sullivan/ARRBcc: From: Tom Samoluk/ARRB Date: 08/06/97 02:59:30 PM Subject: SAE-I spoke to David and told him: 1. We were shooting for a release on NSA docs for Tuesday, August 19. 2. We will share our news release with NSA next week when he gives us a PIO contact at NSA. 3. We'll get the docs to Archives II next week. 4. All this gives time for coordination with Tilley and Cooper, as well as NSA. David will call "Kavanaugh" at NSA and advise him of the plan. David will give us the name of a NSA PIO contact. Please advise me of the results of your conversation with Manuel because I want to call Steve and schedule Tuesday, August 19 as our date for NSA docs, if good for him. Thanks. Tom
