To: Jeremy Gunn/ARRBcc: Eileen Sullivan/ARRB From: Dave Montague/ARRB Date: 08/07/97 10:22:28 AMSubject: A / V material within scif...As you requested, Eileen & I will most likely meet tomorrow to go through all the material & try to figure out what should go to the archives & what is merely a working copy...My thought is that the disposition of these items should be noted w/in the ARRB A / V database...
