**Subject:** Re: Gun Running/Odio

In request letter FBI-30, which you may have a copy of as it is the same request that you've been working on at FBI, we did request Dallas field office files on DRE and JURE, among other groups, so they should be available for your review. If they are not already available, please let me know. As for John Martino, he is one of the HSCA subjects, and the FBI has two main files and two "see" reference package on him. Why don't you read through the main files (have LuAnn Wilkins show you where they are) first, since most of the Dallas field office documents were probably sent to HQ, anyway. Then, write down the Dallas field office file number and we can specifically request the Dallas field office file. To: Kevin Tiernan/ARRB, Laura Denk/ARRBcc: Jeremy Gunn/ARRB From: Manuel Legaspi/ARRB Date: 08/08/97 10:05:16 AM Subject: Gun Running/Odio Per Jeremy's directive, I am hoping to close out some of the outstanding issues regarding the "gun-running" project. One particular angle in this case involves Sylvia Odio and her involvement with the anti-Castro groups DRE and JURE, and former Cuban prisoner John Martino. Could you please find out if we have asked for Dallas field office files for these persons/groups? If not, I can draft a request for additional information letter to the FBI outlining our interest in these files. Thanks for your cooperation -- Manuel
