**Subject:** Re: NSA /3rd agency originated

Please first show them to me. Presumptively, Bob should then contact Barry regarding their review.To: Jeremy Gunn/ARRB, Douglas Horne/ARRBcc: Michelle Combs/ARRB, Bob Skwirot/ARRB, Irene Marr/ARRB From: Manuel Legaspi/ARRB Date: 08/11/97 12:22:20 PMSubject: NSA /3rd agency originated(FOUO) I recently located a batch of 28 documents that were delivered from the NSA in December 1996. The batch contains documents from the State Dept., NSC, and CIA. The NSA has already coordinated with the NSC and State regarding their equities in these documents. However, they have not heard back from the CIA. Before these docs were delivered to the ARRB, Tim Wray told the NSA that he would take care of referring the remaining documents.Since the NSC and State have already signed off on their docs, we need to ask CIA for their opinion on their documents. We can then take them to the Board for an official vote.Once we are ready to do this, we need to contact NSA, NSC, State and CIA to inform them that the Board has voted on them and is ready to send them to NARA. I am awaiting instruction on what to do with these documents, or more specifically, a date when these documents should be presented to the Board.END
