Subject: Re: Fred Reeves Returned Doug Horne's Call
I understand all this. I am becoming somewhat dubious also; this is why I quoted selected remarks he made-- in order to lower everyone's expectations. I expect perhaps only a few new documents out of him, but a very interesting and untold (or at least undocumented) story about a post-defection investigation at El Toro. It's better to look at ALL of his documents, lest we inadvertently cause him to not show us something significant because we sent him the wrong signals too early.
