Sorry! I was carrying out Jeremy's orders and had forgotten about the "only certain people can obligate funds" rule...which I DO understand from my previous office environment. I won't make that boo-boo again.

Doug, although I appreciate your help, in the future you should give me the info and I'll call Miller Reporting. Technincally, by ordering a transcriber you have obligated funds to pay for the service and that can only be done by me or David. No problem this time since you already did it, but just keep in mind for the future. Thanks.

Subject: Sibert and O'Neill Depositions  
I have requested the services of Mr. Robert Haines from Miller Reporting Co. for September 11 and 12, and have also notified Steve Tilley. (I also gave Steve a heads up about the tentative date of October 22nd for Custer and Reed, but will not call Miller about that date until we feel it is really a "firm" date.)
