We are currently listed but the caller needs to specify US govt. I will send a letter asking that we also be listed in the White Pages for future.

Jim Lesar called and said that he contines to receive telephone calls for the Review Board because the only number the operators can find is for the AARC. He said that he received a call yesterday from a reporter in San Diego who said he had tried to get our number but could only get Jim's. Is there anything we can do about this?
