Subject: Re: Harsh Barger Bash

Being the non conformist, anarchy-seeking, wild animal type, I will arrive at 6 pm instead of 630 and bring as many staff with me on the metro as possible!!! We plan to be there first and get a headstart on the bashing! Can I convince you to non confirm and go there with us around six or are you one of those fashionably late yuppie types who just couldn;t make it to the party on time?To:ALLcc:From:Manuel Legaspi/ARRB Date:08/27/97 02:17:12 PMSubject:Harsh Barger BashA final reminder: Yes, you will have a final opportunity to bust Chris Barger's chops, tomorrow night at Whitlow's on Wilson (WoW) in Arlington at 6:30 pm. Please be advised that this is not a dinner/happy hour to honor Mr. Harsh Barger. Rather, it is a chance to let him really know what you think of him, and also to get some people from the office together for an evening of cheaply priced but mediocre food, bad live entertainment, and inhaling second hand smoke. Any talk about work or the office is strictly forbidden.(Doesn't it sound like a lot of fun?)
