Subject: Call from David Lifton
I passed our FEDEX # to Mr. Lifton. He will try to send his 2 Sibert audiotaped interviews to us, if he can find them, in the very near future. (O'Neill never agreed to an interview by Lifton.) He has one Reed audiotaped interview, one Custer audiotaped interview, and one film (1980) and one videotaped (1989) Custer interview. I told him the target date for getting material to us on Custer and Reed is the first week in October. He seemed reluctant to pay up front for dubbing from BETACAM tapes to VHS and then have to wait for reimbursement, but said he would scout out the cost of transfer at a local copy shop and let us know in case we can find a way to pay for the transfer up-front.
