Subject: Re: Herbert J. "Jack" Miller
Could you write a short memo saying that you have reviewed carefully the material from Miller and that -- other than the documents we have kept -- there are no ARs. The memo should also say that the documents we received are all copies from Miller's originals. Then let's toss them. You don't need to raise the issue in the letter to Miller.Thanks.To: Jeremy Gunn/ARRBcc: From: Kevin Tiernan/ARRB Date: 09/02/97 04:27:40
PMSubject: Herbert J. "Jack" MillerWe need to send James Hastings a letter saying that we do not need the other Miller material in his possession and he can 1) destroy it, or 2) send it back to Miller. We also have this other Miller stuff he sent that is not of any use to us. Should we destroy it, or send it back to Miller?I will draft a letter to Hastings for your signature.
