**Subject:** Re: Inside Information and "Thank You" for Package

Thanks for the very interesting (but frustrating) Z-Film "hearsay." I can only hope that Dr. Mantik chooses at some point to share any substantive leads he has with us (such as this person's name, phone number, etc.) regarding this allegation. At this point all I can say is that it sounds real interesting, but we need some real leads that could be checked out...the person's bonafides could be checked, the where/when/who/how could be checked out, if someone were to provide them to us. Always willing to hear more about this one...YOUR PACKAGE ARRIVED TODAY...thanks very much for your assistance. END
