Subject: Re: Thank you note.

We got back yesterday afternoon, after a genuinely wonderful trip: whales, bear, moose and much more. I'm scheduled for work at the Review Board next week, so I'll see you a week from today! I'm sure I failed to get any wildlife in my badly aimed photos (I won't know for sure until I get the pictures back later this week), but if anything comes out I'll bring the pics along with me when I travel to Washington. I'm certain my note had nothing to do with the call you got from Korea, by the way: I believe the lady in question just likes to hear the sound of your voice. See you next week!
