Subject: Re: another idea

I'm not sure about lunch on the 17th. The last meeting David and I suggested lunch out and they vetoed it and I had to try to order a lunch pronto. Also, the open meeting is scheduled for 1:30, so that could be a problem for going out to lunch as opposed to staying in. The engraving of a brass lamp or similar object can be done--he is going to see if he can find what he did with our logo. He said the brass will tarnish right away unless it is lacquered. I would suggest we give as much time as possible for the engraving rather than making it a rush job. This would make it a great time for us all to meet in the lobby and take a group shot of all the staff (we will invite former staff back that are still in the area). Please plan on being here during the lunch hour next Wednesday so we can pull this off.
