Subject: ARRB
Dear Kermit,I have spoken with all of your ARRB colleagues and have attempted to address all concerns that they have. It is my understanding that they are all (except Henry, who leaves today for France) prepared to act by notation vote. Henry was, however, fully supportive. The most serious reservations expressed were by you. So, to the extent you are prepared to move, let's do it and get on with business.Thanks for your words of support.Best,Jeremy
