Subject: Re: AFIP
AFIP is a joint service command, but is located at Walter Reed Hospital (Army). Anything to do with AFIP should be filed under "JFK Medical." To: Douglas Horne/ARRBcc: From: Cathy Rodriguez/ARRB
Date: 09/24/97 02:29:42 PM Subject: AFIP This question should hav been asked earlier by me, and I may have. But , here it is: Is AFIP part of Army, or part of DOD? The letterhead says "DOD", and then "AFIP" (spelled out of course), but to my recollection, which is not the final word by any means, I thought we had chosen to put AFIP as part of Army. Let me know. And we can do both Army and DOD files, too. Just let me know. Thanks, Cathy
Hope your vacation went well, but I will be glad to have you back!
