Subject: Re: Moves

yes, we need to put David's phone somewhere so he can leave his voice mail active for 2 weeks (as we discussed).Also, don't forget to let me know any computer moves that you do (like the Internet computer) so I can change my inventory.And, of course most importantly(!), don't forget my new computer with the big monitor. (I know you didn't forget, we just keep you busy!)To: Jeremy Gunn/ARRBcc: Tracy Shycoff/ARRB
