Sarah -- don't worry -- I'm not that rigid. I just like to keep track of how many pages we are going through per week and also to know how many have been reviewed vs. negotiated. I do need a form once you've negotiated (for the notebook that I will create to keep track of HSCA subjects), but you can use either the form or an e-mail to tell me how many pages you've reviewed.

I was just informed that we are supposed to e-mail you what we have reviewed, and only fill out the form once we have negotiated, so my apologies if I did it wrong. Reviewed this past week: Angelo Bruno File #92-2717 Section 15 through Section 19 Misc. See refs Section 1,2 File #165-1458 Section 1 For a grand total of.....2134 pages.
