Subject:	Re: Pre-Meeting E-Meeting
Body:	Joan, I have consistently told you that this type of information should be routed through Michelle. I don't know how I can make it any clearer. I do not want to see this until Michelle has passed on it.To:Jeremy Gunn/ARRBcc:From:Joan Zimmerman/ARRBDate:10/07/97 09:24:31 AMSubject: Re: Pre-Meeting E-MeetingI see that there is limited time for USSS issues and records. There are two issues that might require more discussion than time will allow at this meeting: The Record and protective surveys. There are potential assassination records. If history is any guide, the Board can designate these in less than 90 seconds. I may obtain more records for designation before the end of this week. I am sending a draft memo listing USSS records.
