Subject: Re: church review

I am glad to see that Grace is keeping things (like this Jeremy-driven, drawn-out memo-writing process!) in perspective for you! I liked what you added at the front of the memo (it was genuinely helpful in explaining to me what was going on, for instance...). I have taken the liberty, then (only on the off chance that it proves helpful to you -- no pride of authorship here), of more fully integrating it into the existing version by collapsing (or cutting and pasting) subsequent sections which now seem redundant. This newly-amalgamated version of the memo is herewith attached for your reading pleasure (?). But anything you decide to do is fine with me. My best to Sue and Grace.
