Subject: Re: Sixty Minutes

Hi! Sorry I missed you when you talked to Jerrie earlier. I saw a tape of 60 Minutes and it was a little frustrating that we were not mentioned. There were two stories (one about the Kennedys and one about government secrecy and declassification -- or lack thereof.) Moynihan was interviewed and went so far as to say that a real tragedy resulting from government secrecy is that there are many Americans who believe that the gov't was involved in the Kennedy assassination. But then he did not mention us! Anyway, Tom is thinking of sending a letter as a follow-up to point out the work of the ARRB. We'll see. Hope your e-mail is working o.k. -- Jerrie mentioned you were having some problems with it. Did you have a good weekend? I drove past the USHMM on my way to Ikea on Sunday. I waved. I tuned in late. Was there any mention of the office? Ciao.
