**DeliveryPriority:** a new microwave and it is set up in the Kitchen. I left the instruction booklet on top of the oven for a few days  
**DeliveryReport:** in case anyone needs it. A few things to keep in mind:1. Don't push the oven all the way back to the wall. It  
**ReturnReceipt:** needs to have a few inches behind it for ventilation so the motor doesn't burn out.2. Please keep this one  
**Categories:** clean. I think the old one committed suicide so that it wouldn't have to lead such a dirty life any longer.
