**Subject:** Re: Report to Congress  
Tom -- Some other thoughts for this or a future report to Congress: There are some key files that have been sent to NARA for inclusion in the JFK Collection, including Lee Harvey Oswald's and Marina Oswald's INS files; Lee Harvey Oswald's marine corps file; and a Post Office "JFK assassination file," which contained original investigative reports of the Post Office when it was assisting the FBI in the investigation. Although Steve Tilley has these files, I am not certain if they have actually been placed in the JFK Collection yet pending additional processing. --Ron
