**Body:** First, thanks for setting up the computer for me. Much appreciated. Second, I and some others are working on a "new" box-by-box visual survey of the HSCA Numbered Files at NARA II. When will you be around on Wednesday? I had intended to go to College Park on the 8:00 AM shuttle, returning on the 4 o'clock, getting back to the office about 4:45 PM. Will you be around then, or should I change my plans?
