**Subject:** Re: CRC Memorandum

Monday is fine with me. Barry has also asked that you pick the exemplar documents to be processed and that you identify the summaries you wish to be processed. He will probably ask you to mark each summary in each box.

**Subject:** CRC Memorandum  
In order for me to complete the CRC memo, I will need to re-examine the records (which I plan to do on Friday at IP). I am hoping to do two things while I am out there: 1. Identify the records that we are going to show the Board, and 2. Obtain further details on the "NBR" records (which I will summarize in the memo). I will have the memo ready by COB Monday.
