great news! I'll make some arrangements and get back to you later today.

Carolyn has agreed to allow me to return to D.C. the week before Thanksgiving. We get back from Hawaii the previous day (Sunday the 16th) and we have a Phoenix Suns basketball game to go to that night, so I think very early Monday morning would be the earliest I could depart from Phoenix. For ease and proximity of airport-to-Review Board travel, I suppose I'd like to come into National, although if there was some really early and direct flight to Dulles that would (even adding airport-to-ARRB travel time) get me to the office quicker, I would consider it. I want to reach the office as early as possible in the day, 'cause I have a lot to do in a week and want to get started. Let me know your what you think! If there were some very late overnight flight leaving late Sunday, I might consider that too. But it would have to be late, given the basketball game.  
P.S. We'll be seeing the puppies again tonight, though I don't know if we'll learn which one is "ours" tonight or not.  
P.S.S. Everything go OK, HSCA-file-relocation-wise, w/yesterday's visit?
