Thanks. The list should be fully adequate for our needs. Please do whatever is appropriate to get the list as soon as possible (e.g. volunteering to pick it up). Please thank Nina next time you speak to her.

Yes, we did near from her, and she doesn't have the microfiche. I called Nina Noring, who said that the fiche isn't done yet (it's projected to be finished in December, but she expects it to take longer). She is sending over a list of the documents that are on the fiche. The list won't say whether the documents are open in full or protected in part, and it won't include any documents that were protected in full. Let me know if this is enough, or if you want me to try to get copies of the documents.
