I'm not sure what you are looking for in this briefing, but I am not sure that I can pull together numbers for you on such short notice. Maybe I am on the wrong track with what I think you're looking for but I will do my best to get something together for the afternoon. Is next week after the Board is gone a possibility, depending on what you are interested in knowing?

Could you please prepare a briefing for Tom and me on the budget for sometime on Thursday? I am imagining that a briefing and discussion would last about an hour. This would not involve Jerrie.
